

# **The Next Generation Knowledge Management**

Meliha Handzic  
*International Burch University  
Bosnia and Herzegovina*

# Research Objectives

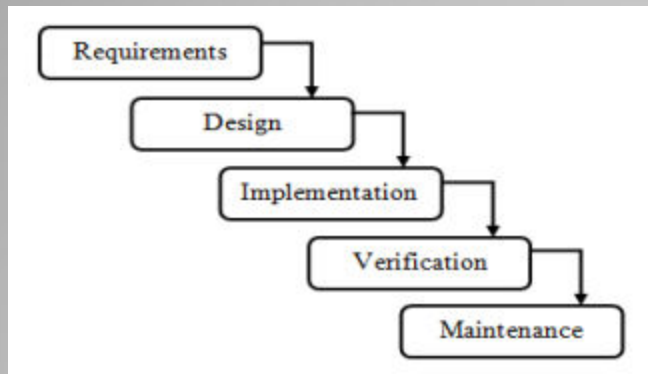

- **Propose a new generation KM model that focuses on KM impacts**
- **Respond to the need for convergence between KM and other disciplines**
- **Develop a specific model that merges Knowledge Management (KM) with Intellectual Capital (IC) and Project Management (PM)**

# Integrated KM Model

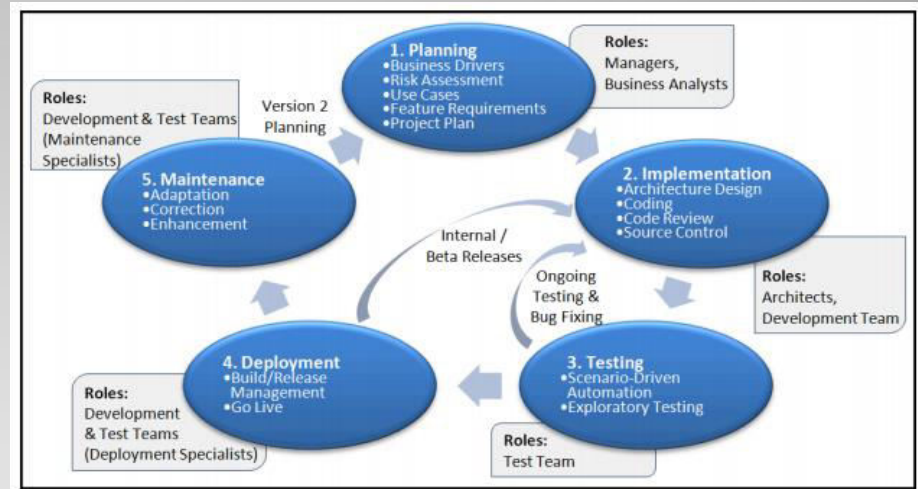

# Project Management Theory

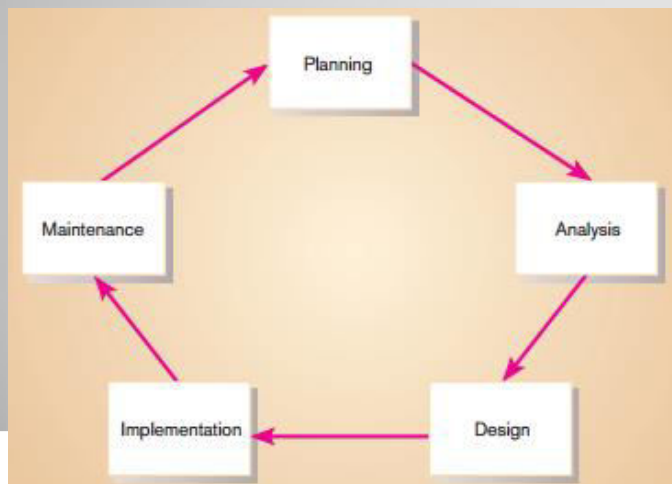

## Process Aspect

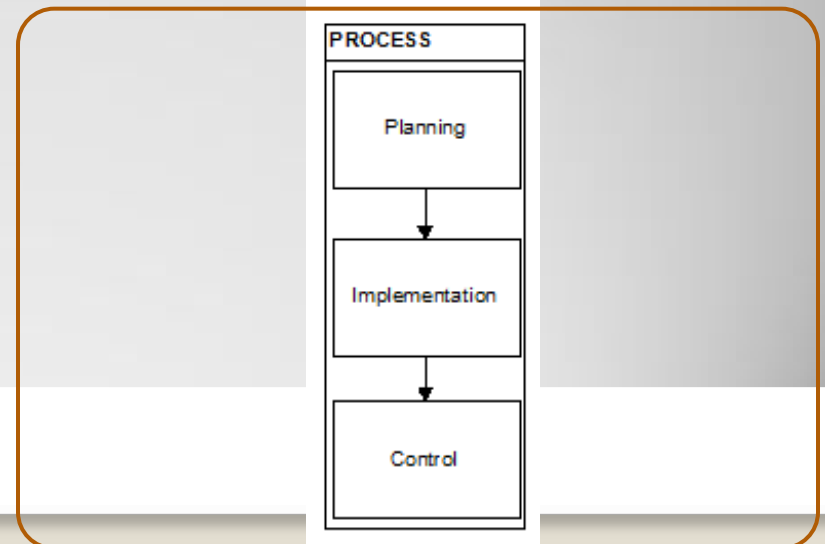

Kumar et al. (2013)

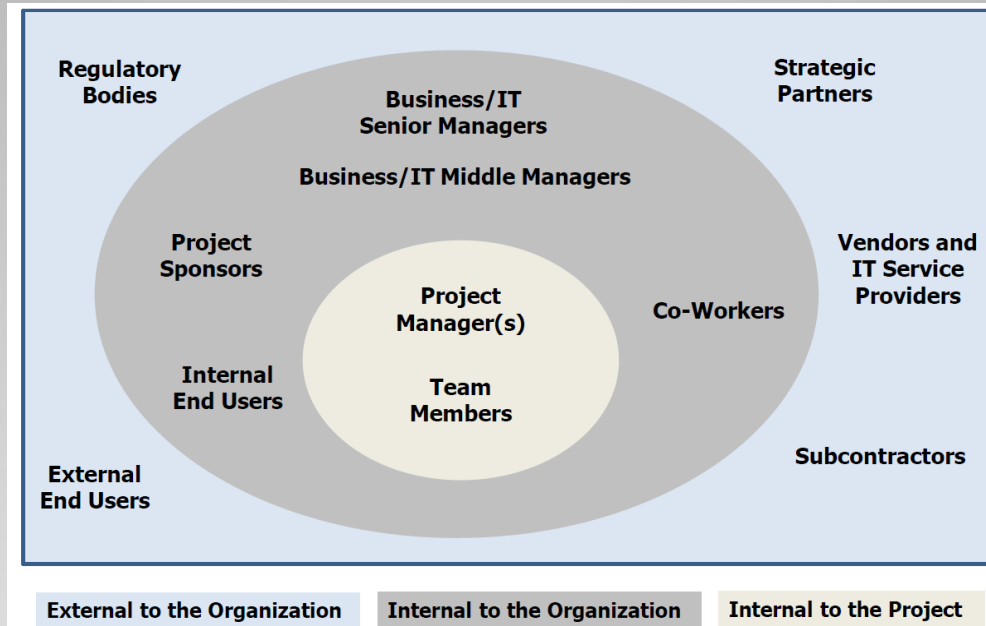

IBM (2012)

Hoffer et al. (2008)

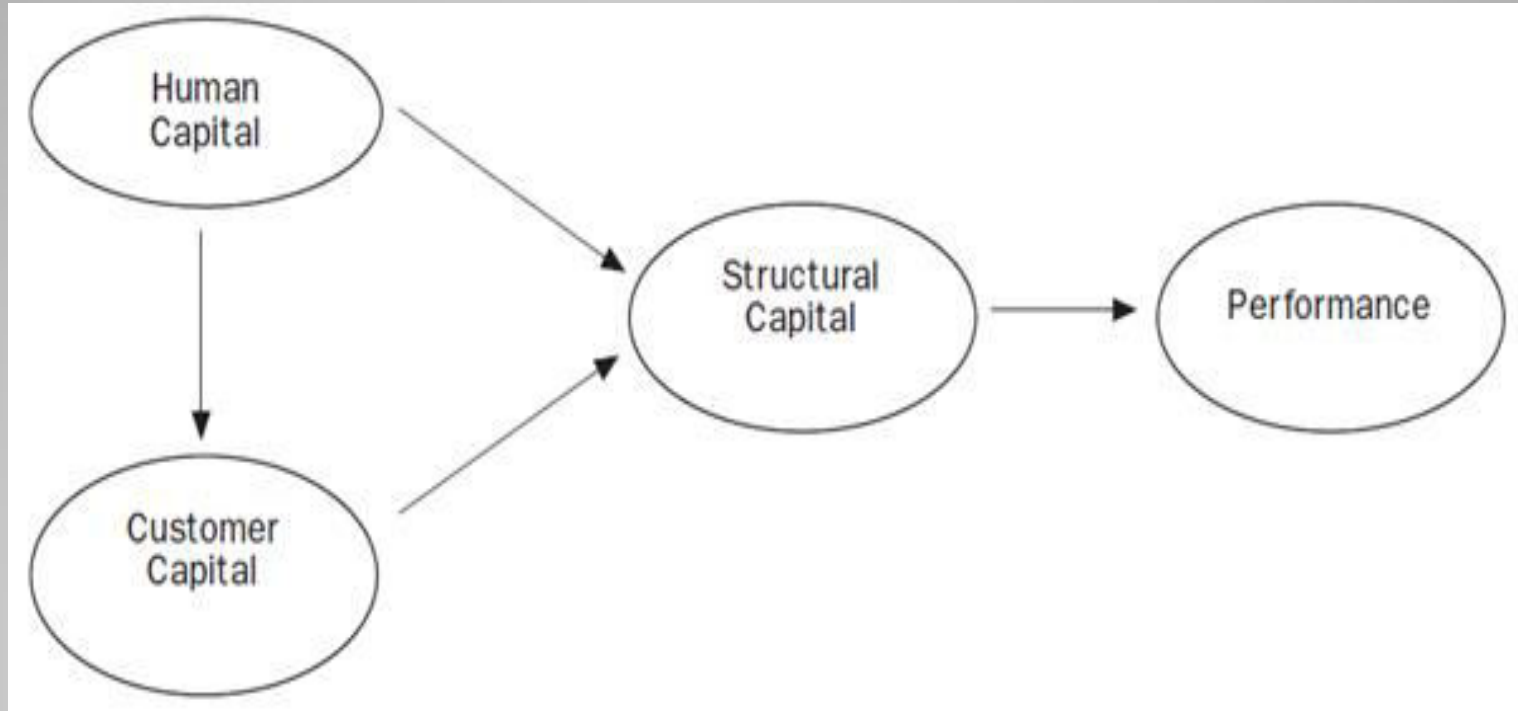

# Project Management Theory: People Aspect

Sambamurthy et al. (2013)

Project people organization	IS Project components
Internal to project	Project team
Internal to organization	Customer
External to organization	

# Intellectual Capital Model

# Conceptual Model
